NORTHWEST; and KAISER  
FOUNDATION HEALTH PLAN, INC.,

Defendants.

NO. 2:17-cv-01611-RSL

**ORDER GRANTING PLAINTIFFS'  
MOTION FOR SETTLEMENT CLASS  
CERTIFICATION**

This matter came before the Court on Plaintiffs' Motion for Settlement Class Certification. Plaintiffs Schmitt, Mohundro and O.L., by and through her parents, J.L. and K.L. were represented by Eleanor Hamburger, Richard E. Spoonemore and Daniel S. Gross of Sirianni Youtz Spoonemore Hamburger PLLC. Defendants Kaiser Foundation Health Plan of Washington, Kaiser Foundation Health Plan of Washington Options, Inc., Kaiser Foundation Health Plan of the Northwest and Kaiser Foundation Health Plan,

1 Inc. were represented by its counsel, Medora Marisseau, Mark A. Bailey and Joshua M.  
2 Howard of Karr Tuttle.

3 The Court has reviewed and considered Plaintiffs' Motion for Settlement Class  
4 Certification and the Declaration of Richard E. Spoonemore, in addition to the pleadings  
5 and records in this case. Pursuant to Federal Rule of Civil Procedure 23(e)(2)(B), the  
6 Court finds that it "will likely be able to . . . certify the class for purposes of judgment"  
7 on the parties Settlement proposal and GRANTS Plaintiffs' Motion for Settlement Class  
8 Certification. The Court further appoints class counsel and class representatives as set  
9 forth below:

10 **A. The Proposed Class Meet the Requirements of FRCP 23(a).**

11 With respect to FRCP 23(a)(1), the Court finds that the proposed settlement class  
12 can reasonably be expected to be so numerous that joinder is impracticable. Both parties  
13 concede that the class numbers in the thousands.

14 The commonality requirement under FRCP 23(a)(2) is also met, as there are  
15 common questions of law and fact that affect all members of the class. For purposes of  
16 facilitating this settlement only, the Defendants have not opposed the Plaintiffs' motion,  
17 accordingly, the Plaintiffs' proposed common question relevant to the class is  
18 unopposed and is: Does Kaiser's administration of a categorical exclusion of hearing  
19 aids and related hearing treatment violate ACA's non-discrimination statute and the  
20 Washington Law Against Discrimination? In light of the specific circumstances of this  
21 unopposed motion, the Court finds the answer to this common question would result in  
22 a class-wide adjudication of the claims in this action.

23 For the same reasons, the claims of the Plaintiffs are typical to those of the Class  
24 as required by FRCP 23(a)(3). In pursuing their claims, Plaintiffs will necessarily  
25 advance the interests of the Class.

1 The Court also finds that the named plaintiffs Andrea Schmitt, Elizabeth  
 2 Mohundro and O.L., by and through her parents, J.L. and K.L., are adequate class  
 3 representatives who have chosen counsel experienced in class actions of this nature.  
 4 There are no conflicts between the named plaintiffs and the Class members. The named  
 5 plaintiffs and their counsel meet the requirement of adequate representation under  
 6 FRCP 23(a)(4).

7 **B. Certification of the Class Under FRCP 23(b)(3).**

8 The Court finds that the Class also meets the requirements of FRCP 23(b)(3) which  
 9 permits certification of a class when (1) questions of law or fact common to the class  
 10 members predominate over questions affecting individual members, and (2) such an  
 11 action is superior to other available methods of adjudicating the controversy. Both  
 12 requirements are satisfied.

13 Predominance is satisfied here because the global question in the case impacts all  
 14 class members and dominates over any individualized questions.

15 A class action is superior here because the cost of litigation far exceeds the claims  
 16 of any individual seeking hearing aid coverage. There is little difficulty in managing a  
 17 class action when it has reached the settlement stage. *See Amchem Products, Inc. v.*  
 18 *Windsor*, 521 U. S. 591, 623, 117 S. Ct. 2231, 138 L. Ed. 2d 689 (1997); *Vinole v. Countrywide*  
 19 *Home Loans, Inc.*, 571 F.3d 935, 944 (9th Cir. 2009). “The Rule 23(b)(3) predominance  
 20 inquiry asks the court to make a global determination of whether common questions  
 21 prevail over individualized ones.” *Ruiz Torres v. Mercer Canyons Inc.*, 835 F.3d 1125, 1134  
 22 (9th Cir. 2016)

23 **C. Class Definition.**

24 NOW, THEREFORE, IT IS HEREBY ORDERED that the following Settlement  
 25 Class is certified for all claims brought in this case:

All individuals who:

- (1) were insured at any time during the Settlement Class Period under a Washington health insurance plan that has been, is or will be delivered, issued for delivery, or renewed by Kaiser Foundation Health Plan of Washington and Kaiser Foundation Health Plan of Washington Options (collectively, "Kaiser"), excluding Medicare Advantage plans and plans governed by Federal Employee Health Benefits Act that did not cover Hearing Aids and Associated Services and
- (2) have required, require or will require treatment for hearing loss other than treatment associated with cochlear implants, or with Bone Anchored Hearing Aids (BAHAs).

The Settlement Class Period is defined as October 30, 2014 through December 31, 2023, inclusive. The Settlement Class will be dissolved in the event the Settlement Agreement between the parties is not finally approved by this Court.

**D. Appointment of Class Representative and Class Counsel.**

The Court APPOINTS Plaintiffs Andrea Schmitt, Elizabeth Mohundro, O.L. by and through her parents J.L. and K.L., as the class representatives, and Ms. Hamburger, Mr. Spoonemore and Mr. Gross of Sirianni Youtz Spoonemore Hamburger are appointed as class counsel.

Dated this 11th day of December, 2023.
